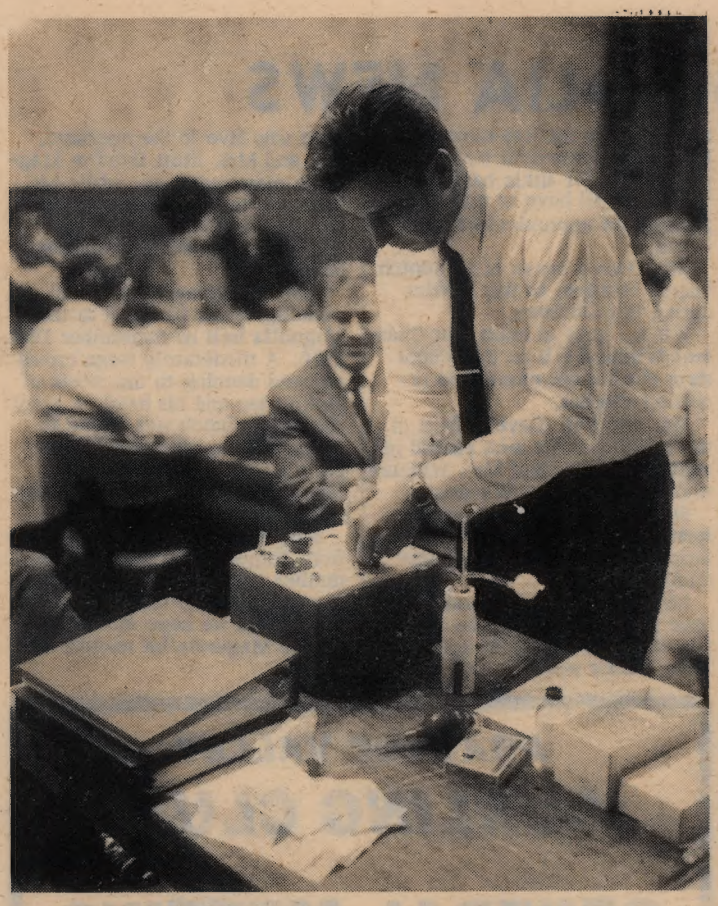
THE WESTERN REVIEW

DRAYTON VALLEY, ALBERTA

WEDNESDAY, SEPTEMBER 30th, 1970



Constable Trevor Ferguson of the Evansburg R.C.M.P. Detachment, is shown here preparing to demonstrate breathalizer use at last week's Rotary Club Ladies' Night.

Rotary Holds Ladies' Night

A large number of Rotary members, their wives and guests, spent an enjoyable Ladies' Night with dinner and a party in the Cardium Room last Wednesday evening.

Features of the evening were an address by Janine LaBranche who attended the Rotary Club "Adventure in Citizenship" and a demonstration of breathalizer use by members of the R.C.M.P.

Miss LaBranche was selected by the Drayton Valley club to visit Ottawa as a guest of the Rotary Club there in its annual program that sees young people from across the country visit the nation's capital.

Miss LaBranche very capably described the trip and visits to places of interest. During the delegates stay in the city, the Ottawa club arranged billets, tours and recreation for the group of young people.

A highlight of the trip was the opportunity to visit the House of Commons and meeting the country's leaders.

Members of the Evansburg R.C.M.P. Detachment, Cpl. N. Anderson and Constable T. Ferguson, assisted by Constables Grotkowski and De Haas of the Drayton Valley Detachment, conducted the breathalizer demonstration.

While two volunteers were absorbing an established amount of liquid refreshment, Corporal Anderson explained the principle of the machine and described the method of making the tests.

The machines, which are expensive and still in short supply, are located at strategic points throughout the province, with emphasis naturally, on the major highways. One such location is Evansburg which serves the surrounding area.

Following Corporal Anderson's talk the two subjects were tested and the amount of alcohol consumed compared with readings on the breathalizer.

FIRE TAKES HEAVY TOLL

Snuffing out 623 lives, fire last year destroyed more than $191,000,000 worth of property.

The human toll conprised 316 men, 126 women, and 181 children.

The number of child victims was the lowest in 20 years.

The $191,000,000. property waste was the highest in history, an increase of at least $25,000,000. over 1968. The loss excludes forest and government building fires.

The preliminary estimates of reported fires was 64,369. This compared with 64,657 in the previous year. These figures maintain the downward reduction over the past 10 years.

The annual assessment of fire destruction on the occasion of Fire Prevention Week October 4, to 10th., by the Joint Fire Prevention Publicity Committee, Inc., is based on current reports by the provinces to the Dominion Fire Commissioner. The committee is a joint enterprise sponsored by the Association of Canadian Fire Marshals and Fire Commissioners and the Candian Association of Fire Chiefs Inc.

Most heartening aspects of the 1969 estimates was the drop in fire deaths. The 623 deaths reported compared with 654 in 1968, and 681 in 1967.

Janine LaBranche is shown here as she described her trip to Ottawa as an "Adventure in Citizenship" delegate at last week's Rotary Club Ladies' Night.

WHO MAY VOTE?

Some question appears to exist as to qualifications for voting in a civic election (for mayors, councillors, etc.).

Canadian citizens, who have reached the age of 19 years and have resided in the community for at least 12 months are entitled to vote.

No property qualifications are required but non-resident property-owners are also eligible to vote if their name appears on the current tax roll.

P.C.'s to Meet Thursday Night

Area residents are reminded of the Drayton Valley Constituency Progressive Conservatives Rally to be held in the Centennial Centre at 8:00 p.m. on Thursday, October 1st.

Provincial leader, Peter Lougheed will be guest speaker.

Rotary Auction Friday, Oct. 9

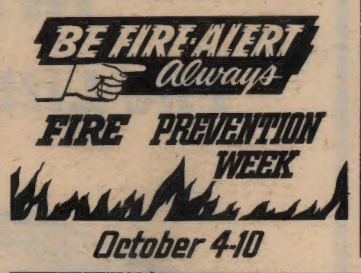
The annual Drayton Valley Rotary Auction is planned for Friday, October 9th at 5:00 p.m. in front of the I.G.A. Store. Proceeds from the sale go back into community projects.

Members of the club are canvassing the community for contributions for the sale. Please check and see if you have unused articles that could help make the sale a success.

Magnolia P.O. Closed

The post office at Magnolia is among seven in rural Alberta to be closed down at the end of September.

G.G. Walker, Director of Postal Service for the Edmonton Postal District, in announcing the closing last week, stated that the Magnolia area will be served from the Evansburg post office.



Varied Agenda for Council Meeting

A regular meeting of Town Council, with barely a quorum of Deputy-Mayor R. Smith and Councillors Rose and Helm, was held last Thursday afternoon to attend to necessary items on the agenda.

With the recent resignation of Councillor Tom Johnson, the Council now consists of the deputy-mayor and four councillors. Councillors Swendseid and Huber were unable to attend, being out of town in Edmonton and Calgary respectively.

Several matters pertaining to the mobile home subdivision now under construction by West Park Developments Ltd. were discussed with Mr. Len Hogarth.

Mr. Hogarth asked about parking and speeds allowed on the sub-division streets and was advised that the mobile home subdivision is considered a normal part of the town road system and will be governed by regulations in force for the rest of the community.

At Mr. Hogarth's request the Council approved overhead power lines for homes on the north and west boundaries of the development. The balance is to be served by underground lines.

In the matter of minimum standards, council established that the principal mobile home unit permitted into the development would be not less than 520 square feet.

Council agreed to provision of a letter to Galaxie Aviation assuring the company that pending D.O.T. approval and the new airport becoming a reality, that the company would be allowed to use the facilites at rates and

Miss Cecilia Fausak

Wins Hotel Scholarship

Miss Cecilia Fausak, daughter of Mr. and Mrs. Kurt Fausak of Evansburg was recently presented with a $600.00 scholarship by the Evansburg Hotel on behalf of the Alberta Hotel Association.

Cecilia has lived on her parents farm in the Park Court district, north of Evansburg all her life. She attended elementary and high school in the village of Evansburg, riding the school bus into the village.

The scholarship she has received is given to students for high marks achieved in grade twelve examination subjects.

Cecilia is now enrolled at the University of Alberta where she will major in computing science.

Graduation Exercises Held At Evansburg High School

On Saturday, September 5th, parents and friends of the 1969-70 graduating class of the Evansburg High School met to honor the graduates. Parents and graduates gathered at the Evansburg Legion Hall for the banquet which was catered to by the Ladies' Auxiliary to the Canadian Legion.

Parents, teachers and graduates sat down to the banquet with Father Cordeau saying grace. Master of ceremonies for the evening was Byron Brown, high school student.

Mr. Guy Dompnier, Mayor of Evansburg, brought greetings from the Village and gave a toast to the graduates. Cecile Fausak, Class Valedictorian, answered the toast and gave a toast to the parents.

Mr. Payne, from Wildwood, replied to the toast to the parents and gave a toast to the teachers. Mr. Elson, High School English teacher, replied to the toast to the teachers and gave a toast to the trustees. Mr. Fred Fausak, Evansburg and District School Trustee, replied to the toast to the trustees and brought greetings from the School Division.

Graduating exercises then followed in the High School Auditorium.

The auditorium was decorated in silver and black with signs of the Zodiac along the walls. Each graduates name was pinned up with his or her sign of the Zodiac. After everyone had gathered in the auditorium, Mrs. Weist, high school teacher, played the grand march on the organ and the graduates came into the auditorium and seated themselves on the stage.

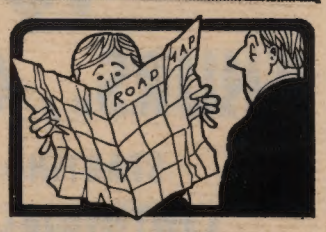
Master of ceremonies, Byron Brown then asked everyone to rise and sing O Canada, after which Mr. P. Marshall, assistant superintendant of schools brought greetings from the school division. Greetings from the village were brought to the graduates and their friends by Mayor Dompnier. Mr. J. Keast, high school principal then introduced guest speaker, Mr. Ralph Jesperson, M.L.A.

After Mr. Jesperson's speech, a group of high school girls, dressed in beautiful evening gowns sang "All Too Soon It's Graduation Day," accompanied by Mrs. Weist on the organ. The Valedictory Address was then given by Valedictorian Cecile Fausak. The Class History was given by Faye Fausak. Presentations were made to the valedictorian and Mr. J. Keast presented each graduate with his or her diploma.

A presentation was also made to Mr. Cairns, math teacher who is retiring from the teaching profession. The Recessional was then played while the graduates filed out of the auditorium. A dance followed the exercises.

Members of the graduating class this year were as follows: Norma Angermann, Irene Barabash, Robert Brown, Gloria Buckner, Terry Demkiw, Verna Demkiw, Gecile Fausak, Faye Fausak, Susan Feldberg, Thelma Johnson, Philip Keast, Gloria Kremeniuk, Irene Kreminski, Gordon Langer, Roland Payne, Donald Raypold, Betty Semenyna, Ted Stepaniuk, David Stewart, Beverly Tuftin, Louise Veldhouse, Shirley Weist, Dianne Zellar.

MAIN STREET



The most cordially disliked person in the shop is the fellow who has yet to squander his precious vacation time.

Cliff Erickson (R) presents the Sid Mitchell Memorial Trophy to Greg Gamble, winner of the 1970 Drayton Valley Golf Club Championship.

MAGNOLIA NEWS

Weekend visitors with John and Ruby Brown were Allen and Beth Brown, and Arnold and Sandy Webber all of Edmonton.

Len, Norma and Sherry Williams welcomed Mr. and Mrs. Williams Sr. of Onoway for a short visit during this past weekend. Also visiting were John and Terry Human of Edmonton.

The county is busy this week improving the road into the farm site of Allen Walker.

A moderately good crowd attended the two day rodeo which was hosted by Herb and Jean Gilbert on Saturday and Sunday. The weather man favored the rodeo with fine weather for both the days. The community club operated two refreshment booths which were very popular.

Mrs. Charles Anderson had the misfortune to fall recently and fracture her right ankle. Mrs. Anderson received medical treatment at the hospital in Mayerthorpe where she had to remain for about twenty-four hours while the cast on her ankle hardened. The cast will have to remain in position for approximately six weeks.

Mr. Harold Brown of Edmonton visited relations in this district during last Saturday.

We are sorry to learn that Charlene Winzura fell on the school steps cutting her mouth and requiring stitches.

Mr. and Mrs. Dave Gilbert of the Prince George area visited recently with Mr. and Mrs. Winzura who are Mrs. Gilbert's parents.

Shirley and Wendy Ostershek spent September 20th visiting relations and friends in this community.

Mr. and Mrs. R. Gylander have returned from a five day trip to various points in B.C. They visited with Mr. and Mrs. Mott who live in Summerland. Mr. and Mrs. Mott lived in Magnolia many years ago while Mr. Mott was the minister in the local church. I'm told that Mr. and Mrs. Mott are both in good health.

John and Barbara Waddells' wedding dance was held in the Magnolia hall on September 19th 1970. A moderately large crowd enjoyed dancing to the music of Rick Peden and his band. A tasty mid-night lunch was served to everyone. An after the dance party was held at the home of Mrs. Betty McDougall with many folks in attendance.

Mrs. K. Gardinier left by plane from Edmonton on Friday, September 18th for her home in Scotland. A safe flight is wished for her and we hope she will return to Magnolia for another visit soon.

Community Interaction Meet Planned

Mr. Darwin Park, Committee Chairman, reports that a community Interaction Congress meeting will be held on October 1st, from 3:00 p.m. to 5:00 p.m. at the County Committee Room. On the "Hot Seat" this meeting will be the Parkland Regional Recreation Department, Mr. Syd Moore, Mr. Cece Armstrong, and Mrs. Lene Holgersen.

Any interested groups will be welcome. It is hoped that all government personnel in the area will see it as part of their duty to learn what other government department services are available.

VISIT HOLDEN

Mr. and Mrs. Manuel Reich and Mr. and Mrs. Jim McGinn visited relatives at Holden over the weekend.

Regular Meeting Town Council

Cont. from Page 1

terms to be determined if the project goes ahead. Mr. Gailey of Galaxie was present at the meeting and explained his need for such a letter to reassure potential customers that facilites will be available when bidding for contracts.

Mr. Rudolph Zander and Mr. Ivan Vowk, County of Parkland Councillors, and Councillor Hans Hansen of Leduc County were present at the meeting and reviewed progress of the Ambulance Committee and sought the support of Town Council in obtaining an ambulance at an early date.

They advised that a suitable ambulance was presently availalbe from Sorenson's Distributors Ltd. of Red Deer, and that because of strike possibility and the fact that ambulances are produced infrequently, others might not be available for several months and quick action is necessary if the service is to start as soon as possible.

Because of the time element involved between County Council and Ambulance Committee meetings, they requested that the town arrange purchase of the machine with the assurance of continued support of the program by the other municipal bodies involved.

Council agreed to the request and it was noted that the ambulance would then be resold to the successful bidder for operation of the plan. Bids were to be sought by advertisement as soon as possible.

The machine is to be stationed in Drayton Valley and the delegates and council agreed that administration would be best carried out through the Drayton Valley Town Office.

Following a request from the Drayton Valley Municipal Hospital, Council requested that the Town Engineer investigate establishment of a "quiet zone" in the hospital area.

Council approved the subdivision of NW 8-49-7-5W as prepared by Dozie and Smith and approved by Edmonton Regional Planning Commission.

The Secretary-Treasurer reported that an inventory of police equipment has been made and surplus will be offered for sale.

In the same regard it was decided to contact "K" Division R.C.M.P. for advice on disposal of the riot gun that has been stored in the Administration Building basement for several years.

Due to the skeleton council it was decided to hold a number of other items over to a later meeting.

SWINE SELECTION

"Backfat Thickness and Body Weight in Swine Selection", an easy-to-use booklet telling how to select breeding stock on the basis of backfat thickness and rate of gain, has just been published by the Canada Department of Agriculture. Summary Regular Meeting Of Parkland Council

The Council of the County of Parkland met Monday, September 21st at the County Office in Stony Plain to continue the meeting of September 14th. These minutes have not been adopted.

Members present were Reeve Leslie N. Miller, Deputy-Reeve Rudolph Zander, Councillors, Peter Bakker, Roy Lent and Ivan Vowk.

Representatives from Green wood Forest products Ltd. were present at the meeting in conection with a quotation on a laminated truss building for an arena in the Hamlet of Wabamun.

Representatives from R. Angus (Alberta) Ltd. were present at the meeting regarding machinery requirements.

Councillor George Mann was now in attendance at the meeting

Considerable time was spent in reviewing the current public works program.

It was agreed that Council adhere to present policy and insist on individual approaches to each parcel in the Howery Subdivision in the SW 5-54-27-4.

HIGHVALE ROAD ALIGNMENT

It was agreed that line 8 on the plan showing alternate alignments of the Highvale road in section 4 & 5-52-4-5 be approved, with reference to letter dated March 13, 1970 from the District Engineer.

Agreement for removal of gravel from the SE 8-51-1-5 was approved.

Agreements for backsloping were approved as follows: West side of the NW 11-52-5-5; South side of the SW 13-52-6-5; South side of the SE 13-52-6-5; West side of the NW 26-51-5-5; West side of the SW 2-52-5-5; East side of the SE 3-52-5-5; West side of the NW 2-52-5-5; West side of the SW 11-52-5-5.

Councillor Robert A. Bailey was now in attendance at the meeting.

PRELIMINARY AGREEMENTS

Preliminary agreements were approved as follows: 33 feet of land for road widening purposes on the west side of the W 1/2 12-54-28-4 with compensation of $125.00 per acre for land and the County to consturct a new fence; 33 feet of land for road widening purposes on the west side of the SW 1-54-28-4 with compensation of $125.00 per acre for land and the County to construct a new fence; 33 feet of land for road widening purposes on the east side of the SE 12-54-1-5 with compensation of $125.00 per acre for land and $225.00 to replace the fence.

33 feet of land for road widening purposes on the south side of the SW 5-54-27-4 with compensation of $104.00 for approximately 1.04 acres of land and $75.00 towards the cost of the survey.

33 feet of land for road widening purposes on the east side of the NE 12-54-1-5 with compensation of $125.00 per acre for land and the County to construct a new fence.

Request for construction of the road west of the SW 34-53-7-5 was received and referred to the Public Works Committee for inspection for consideration in the 1971 construction program.

Mr. S. Moore, superintendent, and Mr. C. Armstrong, assistant superintendent of the Parkland Regional Recreation Council, were present at the meeting to assist Council in establishing a

Good Demand for Canadian Grain

OTTAWA -- There has been an exceptionally strong demand for Canadian grain in recent months and there is a very good prospect for the volume of exports reaching 700 million bushels, surpassing the previous record of 685 million bushels exported during the 1963-64 crop year. Last year 474 million bushels were exported.

The demand for feed barley has been particularly strong and the Canadian Wheat Board has taken full advantage of the market conditions. Export commitments have been entered into by the Board for the barley which will ensure exports in excess of the previous record of 122 million bushels.

Forward sales for shipment during the 1970-71 crop year for wheat are also at high levels for this time of the crop year. Demand from both regular customers and new customers, as a result of the Government's expanded credit program, will result in a high level of wheat exports.

Demand for Canadian grain has been exceptionally heavy in recent months because of lower production in Australia, Argentina and Western Europe and the blight damage to the U.S. corn crop.

TOWN VISITORS

Recent visitors at the William Norquay home in Drayton Valley were newlyweds Mr. and Mrs. G. Sidof of Winnipeg. Mr. Sidof is Mr. Norquay's nephew.

NIGHT OWL RATES

Talk a little
Talk a lot
Talk at night when the price is right

Between midnight and 6 a.m. if you dial direct you can talk to any point in Alberta for 3 minutes for a maximum of 50¢. The NIGHT OWL Rates* also let you dial direct to almost anywhere in Canada or Continental U.S.A. and talk 3 minutes for a maximum of $1.00 in that same time period. How's that for the right price? So stay up tonight and call a friend.

Rates do not apply to Northwest Territories, Yukon and some remote northern areas; if calls are collect; billed to 3rd party; on credit card; or if time and charges required.

Canadian Agriculture in the Seventies

Just how competitive should Canadian farmers be with their neighbours, and farmers of other countries?

To what extent should government be involved in agriculture? Would farmers be better off if they were more dependent on their own organizations to provide leadership and direction?

Is farming a business like all other businesses or does it require special consideration?

These are a few of the more important questions raised by the Task Force on Agriculture in their report **Canadian Agriculture in the Seventies.** Three years in the making, the Task Force report contains a wealth of information related to farm production and marketing.

PROPOSED RECOMMENDATIONS

Based on their study, the Task Force has made certain recommendations for consideration by the agricultural industry. These recommendations are the answers as members of the Task Force see them. However, they affect the farmers' business, and farmers now have an opportunity to take a stand on various issues.

What do **you** have to say about the Task Force recommendations?

The Canada Department of Agriculture is planning a second Canadian Agricultural Congress to be held in Ottawa, November 25-27. This will be an exchange of views between government and representatives of agricultural industry who have anything to say on the Task Force recommendations.

Farm organizations are urged to study the Task Force proposals and be prepared to discuss their position in relation to others at the congress.

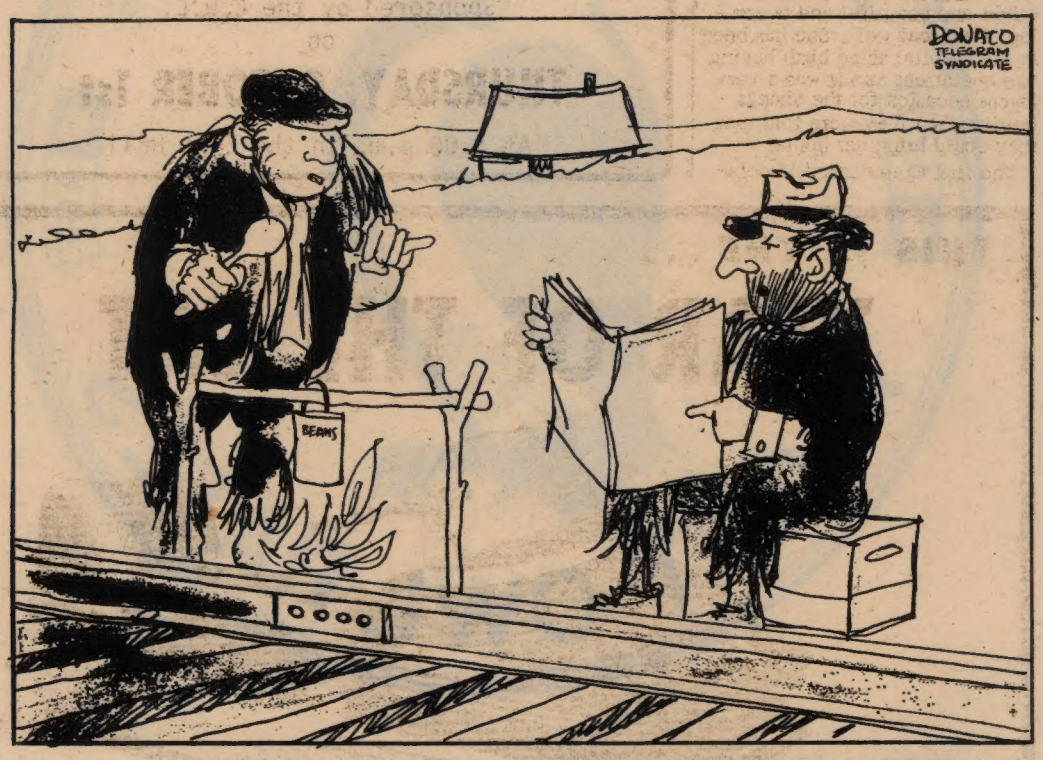
REPORT AVAILABLE

The Report of the Federal Task Force on Agriculture is contained in 475 pages entitled **Canadian Agriculture in the Seventies.** Copies are available from large book sellers, Canadian Government bookstores, or from the Queen's Printer, Ottawa. The price is $7.00. Farmers can also get access to the information through their local organization or commodity group, which is involved in the study of the report.

Following are a few proposals from the Task Force:

Less direct government involvement in agriculture, except for those who need help in adjusting to more competitive situations . . . farmers must assume more responsibility for their own leadership and direction . . . surpluses must be controlled and reduced to manageable proportions by reducing production drastically if necessary . . . governments should provide temporary, limited programs of assistance for the crop switching and land retirement necessary to cut surplus production . . . agricultural subsidies and price supports that are not effective should be phased out . . . younger non-viable farmers should be moved out of farming through temporary programs of welfare, education and provision of jobs . . . because of the diverse nature of Canadian agriculture, policies must be flexible to meet the varying circumstances . . . there should be a National Agricultural Marketing Board responsible to the Federal Cabinet, operating to benefit agriculture without serious adverse effects on the national economy . . . Canada should initiate discussions to remove all tariffs on cattle and beef to achieve a completely free continental market ... provinces ought to consider adopting the fluid milk quota system including transferring quotas currently followed in Ontario and British Columbia.

These are some of the issues! How they will be resolved will depend a great deal on how farm spokesmen present their case at the Canadian Agricultural Congress. The stage is set for farm leaders to make their views known and give some direction to the formulation of agricultural policies.



"GOOD NEWS, SYDNEY... WE'RE WINNING THE FIGHT ON INFLATION"

Editorial Comment

Fire Knows No Generation Gap

The killer, fire, respects no age group. It will strike you dead whether you're a baby, a teenager, or an old age pensioner.

The death statistics reveal how ruthless fire can be. Over the last 10 years, almost 6,000 persons died in fires. Of these, 2,385 were men, 1,252 were women, and 2,329 were children.

No matter how old we are, we all tend to become a little lax at times. It's human nature.

You can help to prevent yourself becoming another statistic. During Fire Prevention Week, October 4th to 10th, think about the things you can do to protect your family. Besides the normal prevention measures, consider the escape routes from your home and point them out to children.

Keep Oct. 14 in Mind

Election Day, Wednesday, October 14th is the day when all residents have their say in municipal politics. If you are over 19 and have lived here for a year or more, put a bold circle around October 14 on your calendar to remind you to vote.

A field of excellent candidates has offered to serve the community. Show your interest by helping to record a heavy vote on Election Day.

Attention Brides

In your pre-wedding planning it would be appreciated if you would arrange for a good black and white photo if you wish to have your wedding picture printed in The Western Review. Good, crisp black and whites are the only photos that guarantee good reproduction.

In the past we have accepted color photos and poor black and whites in an effort to be obliging and the results have often made us regret accepting them. In the future we intend to adhere to a policy of no color photos or poor black and whites.

FOR SALE by TENDER

Residential Improvements

Tenders are invited for sale of the following County owned property: -

The Residential Improvements situated on Lot 24, Block 12, Plan 2057M.C. in the Townsite of Lodgepole.

Sealed tenders accompanied by a certified cheque or money order for 10% of the tender amount will be received by the undersigned up to 5:00 o'clock p.m., Friday, October 9, 1970. The balance of the tender amount to be paid by the successful tenderer within 30 days after acceptance of the tender.

The highest or any tender may not necessarily be accepted.

Secretary-Treasurer,
County of Parkland No. 31,
Stony Plain, Alberta.

Buying Mood On Upswing?

After having taken a decisive slide during the early part of this year, the consumer mood in Canada now appears to be on me verge of recovery, according to a report in Hardware Merchandising business magazine. "Some signs point to a slight improvement from the unenthusiastic attitudes which have prevailed since late 1967," the report says. Its findings are based on the latest information from Maclean-Hunter's research bureau which conducts continuing studies of Canadian markets.

There is a slight variation in consumer mood by geographic areas and socio-economic status, the report states. In British Columbia, for instance, some 22.3 percent (up from 21.4 percent a year ago) of consumers interviewed felt that it was a good time to make a major purchase, compared to only five percent of people queried in Quebec, a sharp decline from 17.9 percent a year earlier.

Electric appliance sales, according to the current study, should increase but not dramatically. Home improvement plans are up slightly. Some 25.4 percent of those interviewed plan to repair, remodel or remake home improvements before the end of the year, up from 23.1 percent last year.

Regular Meeting County Council

Cont. from Page 3

policy of assisting communities in financing capital recreation facilities.

DONATION OF LAND FOR SCHOOL PURPOSES

An offer was presented to the Council, whereby Mr. Pieter Bakker Sr. of Stony Plain offers to donate to the County of Parkland No. 31, fifteen (15) acres of land in the N 1/2 25-52-1-5 for school purposes, adjacent to the present school site in the Town of Stony Plain.

The County would have to assume the cost of preparing and registering a plan of survey and costs to transfer Title.

It was agreed that this offer be gratefully accepted.

It was agreed to write a letter to Mr. Pieter Bakker, Sr., thanking him for the donation of fifteen acres of land for a school site and informing him that the proposed school will be constructed on the site in 1971.

It was agreed that application be made to the Edmonton Regional Planning Commission for approval of subdivision for the fifteen acre school site in the N 1/2 25-52-1-5.

SEWAGE DISPOSAL FACILITIES

It was agreed that the County agree to share costs of providing sewage disposal facilities required for the proposed new Junior High School in Stony Plain on the following basis: the cost of water and sewer service lines from the east property line to the location of the school, together with the necessary sewage lift pump required in the school.

The sum of $5,000.00 towards the cost of duplicating the sewage outfall line.

Mr. J. McEachern of Ferguson Supply Co. Ltd. called on the Council regarding machinery requirements.

VETERINARY SERVICES

Veterinary Services Contract providing for the establishing of veterinarian services in Drayton Valley and requiring payment of $4,500.00 by the County at the rate of $1,000.00 upon arrival by the Veterinarian and the balance in twenty three equal monthly instalments was approved.

By-Law No. 26-70 authorizing payment of $4,500.00 to a Veterinarian to establish in Drayton Valley, in accordance with the Veterinarian Services Contract, received first reading on motion of Councillor Mann, second reading on motion of Councillor Lent, third reading on motion of Councillor Bakker and finally passed by unanimous consent of the Councillors present.

It was agreed that the road allowance on the east boundary of the W 1/2 5 and W 1/2 8-54-27-4 be closed and vested to the quarter sections as it is no longer required for road purposes.

Request was received for cancellation of penalties on taxes with respect to the SE 17-51-26-4 in the amount of $288.38. This request is being made for the reason that on February 12, 1970 a letter was written to the County indicating that a cheque for payment of the taxes was enclosed which was in fact not enclosed and the County failed to notify the remitter of this before the penalty was imposed.

It was agreed that this penalty be not cancelled as the error was made in not forwarding the cheque.

The Police Report for the month ending August 31st was received for information.

Request for approval of pipeline crossings West of the W 1/2 12 & W 1/2 13-48-9-5 was received from Amoco Canada Petroleum Co. Ltd., approved subject to any conditions of the Public Works Department.

Request for approval of pipeline easement across the north end of the school grounds, Lot 1, Block 28 in Drayton Valley was received from Northwestern Utilities Ltd. Approved.

AERIAL SPRAYING OF WEEDS

Letter dated September 15, 1970 from the Alberta Association of Municipal Districts and Counties was presented to the Council suggesting that resolutions be presented regarding changes required to enable a municipality to control application of chemicals from aircraft.

Request to purchase gravel at cost from the SW 4-54-1-5 was received from County of Lac Ste. Anne No. 28. As this gravel is to be used to gravel a road on the north boundary of the County of Parkland No. 31, it was agreed that the required amount of gravel be sold to the County of Lac Ste. Anne No. 28 at cost.

CORRECTION OF MINUTES

Minutes of September 16, 1970 concerning By-Law No. 25-70 should read "construction of a High School Complex in Drayton Valley" and not construction of a Junior High School Complex in Stony Plain.

4-H Clubs Hold Wind-up Meeting

The final year-end meeting of the Lobstick Beef and Pembina Field Crops Clubs was held on September 11th at the home of Mr. and Mrs. Steve Slemko of Rochfort Bridge.

The meeting was called to order by president, Dawn Brown at 9:00 p.m. sharp, and the 4-H pledge was recited, led by Lee Bruner. Roll-call was "Views on world problems and affairs."

Business arising from the minutes was discussed and a discussion took place as where to hold the re-organization meeting next month.

Karen Johnson gave a report on the trip to Jasper that most of the members had made previously.

A cheque for $100.00 for first prize for the float was received from the Edmonton Exhibition Association.

New business included a discussion concerning the forthcoming banquet.

Mrs. Slemko served a delicious lunch at the conclusion of the business meeting.

Never let the sun go down on a squall with the frau -- she'll spend the night dreaming up a whole new argument.

COUNTY OF PARKLAND No. 31
STONY PLAIN, ALBERTA

Application for School Bus Operation

The School Committee of the County of Parkland No. 31 invites applications for supplying and operating a 54 passenger school bus to convey pupils to the schools in Stony Plain. The proposed route is to the west of Stony Plain involving about 50 miles per day or less and will pay about $27.00 per day. The School Committee reserves the right to make minor changes in the route at any time.

Applicants must have a Class "A" Alberta Operator's license and must possess a reputable character and a good driving record. The successful applicant must obtain an "A Plus" license before commencing operations. The School Bus must meet all Highway Traffic Board specifications.

Applications, together with names of at least 2 reliable references and a copy of an abstract of driving record should be submitted to the County Office in Stony Plain not later than 2:00 p.m. on Friday, October 9th, 1970. The School Committee reserves the right to accept or reject any application.

Stony Plain, Alberta.
Phone - 777-2231.

ALDER FLATS NEWS

Sunday School started up here again last Sunday morning at 10:30 a.m. Church followed with guest speaker Pastor Albert Josephson from Edmonton giving the sermon. Following the service a pot luck dinner was enjoyed and a business meeting followed. Dennis Nelson was elected Chairman, Howard Pearson, vice-chairman and Ella Simon, Secretary-Treasurer.

A bridal shower for Robbie Bohning's fiancee, Irene Mailott was held at the Legion Hall on Saturday evening, September 19. Rosalie Cook assisted Irene in the opening and recording of the many lovely gifts she received. Anne Olsen and Francis Nicolls were hostesses for the occassion. Robbie and Irene will be wed in Drayton Valley September 26th with a wedding dance to follow in the Alder Flats Hall.

Mr. and Mrs. Larson of Wetaskiwin spent a week recently with their son Lars, Doris and family.

Mrs. Hicks from Perth Austrailia arrived here the end of August to spend a month with her daughter and son-in-law, Elizabeth and Vin Farrel. They took Mrs. Hicks on a tour of Banff, Jasper and the Rockies the last long weekend holiday.

Mrs. Alice Henderson of Red Cliff arrived at the Gordon Shank's home September 12 to look after the children while Shirley is in the Wetaskiwin hospital, having undergone surgery last Tuesday. Mrs. Henderson is Shirley's mother.

The Shanks family brought their baby Joanne home from the hospital at the end of August. She is still very small but is bright and beautiful and is coming along real well. She has been in the hospital since birth having two operations and it was a very joyous occasion for the Shanks family when they were told that they could bring her home.

The first Community Association meeting of the season was held September 16th. A group nominating committee was formed, the next meeting will be the election of officers to the various committees. Volunteers to be on any of the committees would be appreciated.

More work on the grounds is being done and it is hoped to get started on the skating rink soon.

The annual steak barbeque held in the fall by the community association will take place October 10th.

Gordy and Ruth Blades and their new baby arrived at the Blades for the weekend and took Brent back home with them.

The Danyluks store opened its doors again for business Tuesday morning, September 15th. It had been operated as Durants Ltd. for the past two years, and has been closed the past couple months.

Weekend visitors at the Throwers were Reg and Judy Anderson and boys of Red Deer. Faye Thrower and fiance Steve Toth of Calgary and Louis was also home for the weekend, he is employed in Wetaskiwin.

Harold Johnson went back to work at Brooks Saturday evening after a few days at home due to his derrick being in collision with a train while being transported to another location. A new derrick had to be rigged up in Edmonton.

Weekend visitors at the Bill Ring home were his two sisters and their husbands, Mr. and Mrs. Ray Beierle of Commerce City, Colorado and Mr. and Mrs. Jacobs Gering of White Mouth Manitoba. Mr. and Mrs. Bill Ring and Mr. and Mrs. Ray Beierle motored to Lacombe on Monday to visit Rodney and Roseanne Rinforth.

Byron Larson registered on the 8th at the University of Alberta to begin his second year of studies.

There are twenty-five students from here taking the baby sitting course. The first session was here the next three at Drayton Valley and the last three here. The lessons at Drayton Valley will be from a Doctor, Nurse and Fire Chief. In charge out here are Mrs. Shirley Shanks and Mrs. Joyce Hayduk.

Plastic tile drains, similar to the one being installed here in eastern Ontario, are becoming more popular across Canada. The plastic tubing is lighter, easier to handle and install and presents fewer maintenance problems than clay tiles.

SUB-MITS

FROM THE ELEMENTARY SCHOOL

The heavy enrolment picture in grade three was somewhat relieved this morning with the arrival of Miss Debbie Tam. This meant a shift of some children to different classrooms. However, being in a classroom with a lower enrolment will outweigh any disadvantage caused by changing teachers at this time.

This week let's meet one of the grade one teachers, Mrs. Anne-Marie Hicks. Mrs. Hicks comes from the little town of Wauchope, Saskatchewan. She attended High School at Manor and took her teacher training at the University in Regina. This is Mrs. Hick's first year in Drayton Valley. Previously she taught in Saskatchewan for three years. Mrs. Hicks enjoys sewing and her Siamese cat. Her husband is with J & A Trucking. If Drayton ever becomes bilingual, Mrs. Hicks is qualified to teach French.

From Mrs. Oakes room --
Question: Do you know what squirrels eat?
Answer: Eggcorns.

And then there is the story of Jeffrey Johnson. Jeffrey is in grade one and had just got a new pair of running shoes for gym. However, the very next day he brought them home again. Said he to his Dad, "We had fire drill today and if you think I'm going to let my new running shoes get all burned up, you're mistaken."

Weekly Livestock Report

Week Ending September 26th, 1970

SALES	CATTLE & CALVES	CATTLE	CALVES	HOGS	SHEEP
This week (est.)	6200	4200	2000	3400	1050
Last Week	6685	4250	2435	3224	175
Same week (1969)	7227	4837	2390	2486	1545

SUMMARY

Volume was down this week due to inclement weather conditions in the latter part of the week. Replacement cattle and calves made up about two-thirds of the receipts. Trade was moderately active on steers and active to strong on heifers and cows. Slaughter steers sold about steady for the week. Heifers 25 - 50 higher. Cows strong to 25 cents higher. Bulls 50 - 1.00 lower. All replacement classes about steady.

SLAUGHTER CATTLE AND CALVES

Slaughter steers sold about steady, although buyers appeared more selective from the outset. Several lots of strictly choice steers sold at 28.25 to more local buyers at the close. Butcher heifers sold strong throughout, although top quality kinds were scarce, choice heifers sold up to 26.50 at the close with the odd sale higher on the lighter weights. Butcher cows sold active throughout to close 25 cents higher. Bulls sold 50 - 1.00 lower. Veal and butcher calves fully steady.

REPLACEMENT CATTLE AND CALVES

Feeder steers sold generally steady throughout although the heavier weight shortkeep feeders experienced some pressure and sold at a discount. Feeder heifers and cows steady. Stock calves sold steady with some lightweight calves selling over the quotations.

SHIPMENTS

Last week's shipments from the Edmonton Public Stockyards were East - 260 slaughter; West - 265 slaughter; Feeders to southern Alberta areas - 504.

CLOSING QUOTATIONS
(1969 Quotations in Brackets)

SLAUGHTER CATTLE

Steers: Choice 27.50 - 28, sales to 28.25 (25.75 - 26.50), good 27 - 27.50, medium 26 - 27.

Heifers: Choice 25.75 - 26.50 (24 - 25), good 25 - 25.75, medium 24 - 25.

Cows: Good 20 - 21, odd sale higher (21 - 22) medium 19 - 20, canners and cutters 16 - 19, shells 14 - 16.

Good bulls 23.50 - 24.50 (23.50 - 24.25)

REPLACEMENT CATTLE AND CALVES

Good feeder steers (750 lbs. and under) 32 - 35 (31 - 34), (750 lbs. and up) 29 - 32 (26 - 32), common to medium 25 - 32.

Good feeder heifers 26 - 30 (24 - 29), common to medium 23 - 26.

Stock cows 18 - 23 (20 - 24).

Good stock steer calves 35 - 43, (34 - 45), common to medium 30 - 35.

Good stock heifer calves 30 - 36 (30 - 35), common to medium 25 - 32.

SLAUGHTER CALVES

Good to choice veal (350 lbs and under) 34 - 36 (32 - 34).

Good to choice butcher calves (350 - 450 lbs. 30 -34 (29 - 32), (450 lbs. and up) 26 - 30, (24 - 28).

HOGS

Edmonton Stockyards. Base price: Monday 27.30 and 28.25; Tuesday 30.00; Wenesday 26.55; Thursday 26.05. Good boars 13.25/cwt. Sows sold at 17.05 to 17.25 dressed weight.

742 feeder hogs sold Tuesday and Thursday afternoon at prices ranging from 24.70/cwt for 90# feeders down to 19.00/cwt for heavier kinds. Weaners and light feeders sold by the head 8.00 each for weaners to 20.00 each for light feeders. Last year butcher hogs sold from 37.00 to 38.00 base price.

SHEEP AND LAMBS

At last Friday's Special Sheep Sale good butcher lambs ranged from 23.00 to 25.50/cwt with heavier weights from 20.00 to 22.00/cwt. Feeder lambs brought 23.00 to 28.00. Butcher lambs sold during the week mostly on a rail grade basis, although several lots sold from 23.00 to 24.-50/cwt. Last year butcher lambs 23.00 to 24.90/cwt.

BUCK LAKE NEWS

Edie King took a week off, and spent the time with friends at Veteran, Mr. and Mrs. Anderson.

Mrs. Louise Frickie and family went into Wetaskiwin to visit Ron, who is still a patient in the Auxillary Hospital there.

The Lawson Patten family, and James and Lila McLeod motored to Evansburg to visit with her brother Calvin Durant and family.

Mrs. E. McKay is away visiting Harvey and Mickey Ankerstein and family at McKenzie, B.C.

Fred Drader's brother, Francis Drader, is staying with him and Ede for a week or ten days; he is from Vancouver Island, B.C.

James and Lila McLeod, Babe and Alois Rainer and the Borles girls were in Edmonton to see Pat, still in hospital there. They also visited with Mrs. Durant in the General Hospital in Wetaskiwin. Babe is looking after Pats' children at the farm here.

Mrs. Frickie stayed with the Kelso children in Wetaskiwin while Norman and Pat attended his grandfather's funeral, in Calgary.

At the Draders, recent visitors were Doctor and Mrs. Todd and Zeda of Edmonton.

Mariam McLeods mother, Ruby Latham, had the misfortune to fall and break her hip; she is confined in the Red Deer hospital and will be there for quite a while.

Lorne Trusett was sent home from Melville Island for a week or so, as he was ill with the flu. His brother Morris is at home for a week, he has been working there also.

It was nice to see Maggie Siegel, her friend Della Scott and Ruby Quinn out for the weekend. They all attended the Potluck Supper and social evening, Saturday night, which was held in honor of Mr. and Mrs. Adams (John and Olga). Friends gathered at the Recreation Centre to welcome Olga and her children to the Community. They are Bernie, who is taking grade nine in Winfield School; Horst, who takes grade eight there Anita, in grade seven at Buck Lake School, and the youngest one is Doris, who is in grade five here. John and Olga were presented with a beautiful silver tray by Pat Patten, on the behalf of the community.

My heatiest congratulations for for myself, and also on behalf of the community of Buck Lake to Ede Drader who has received a certificate of merit and a large photo of her entry of the Little Covered Wagon and Caesar and Cedric, in the Klondike Parade in Edmonton. The presentation was made by the City of Edmonton.

Mrs. Alfred Kaserman (Elizabeth) had a fabulous trip this summer, when she travelled by jet from Calgary on June 1st, and arrived in London after an eight hour flight. After an hour and a half wait there, she took the flight to Basle, Switzerland, where she was met by some of her family. She has three brothers, all married.

That month she attended the wedding of her second cousin, Willi Hug, of Neuerburg in the French area of Switzerland. She also made several mountain railway trips with various relatives to other interesting towns such as Tessin, Wallis, and Granbunden in the southern part of Switzerland. Alfred joined her in the middle of July, leaving Calgary on the 15th, after having spent two days with a nephew there. He went by jet as well, so it was not long before he arrived. During the remaining time that they spent in Switzerland, Alfred and Elizabeth visited with his sisters and brothers at Bern, and their many other relatives and friends. They took a ten day trip into the mountains, enjoyed some mountain climbing in the Alps, and saw mountain goats and chamois. They attended an Alp Festival which is a form of entertainment in Switzerland, combining music, song and Swiss Yodelling and featuring the Abhorn, a musical instrument made of wood. There was "Schwinger" also, the Swiss word for Wrestling.

Alfred and Elizabeth left Switzerland in August, arriving back at Buck Lake on the 22nd., after a safe journey home. They brought back some souvenirs, and will have many fond memories of a wonderfully memorable vacation.

Cecil Barker is sawing lumber for Gilbert Siegel at the present time.

Mrs. Muriel Weber and the girls were at Buck Lake for the weekend. They live at Kindersly, Saskatchewan.

Larry Micku is gone to school at Brooks this year. He is staying with his Uncle and Aunt there.

GOVERNOR-GENERAL TO ATTEND HOMECOMING

The University of Alberta's most distinguished alumnus, Governor-General Roland Michener, and Mrs. Michener will be the honored guests at Homecoming '70 at the University of Alberta October 16, 17 and 18.

Invitations have been sent out to about 25,000 alumni in the province inviting them to join other former students for the alumni festivities.

Although the itinerary for the Governor-General's visit has not been completed, it is expected the Governor-General and his wife will attend a variety of functions on campus, Saturday, October 16.

COUNTY OF PARKLAND No. 31
STONY PLAIN, ALBERTA

Applications for School Bus Operation

The School Committee of the County of Parkland No. 31 invites applications for supplying and operating a 54 passenger school bus to convey pupils to the schools in Spruce Grove. The proposed route is to the south and east of Spruce Grove involving about 50 miles per day or less and will pay about $27.00 per day. The School Committee reserves the right to make minor changes in the route at any time.

Applicants must have a Class "A" Alberta Operator's license and must possess a reputable character and a good driving record. The successful applicant must obtain an "A Plus" license before commencing operations. The School Bus must meet all Highway Traffic Board specifications.

Applications, together with names of at least 2 reliable references and a copy of an abstract of driving record, should be submitted to the County Office in Stony Plain not later than 2:00 p.m. on Friday, October 9th, 1970. The School Committee reserves the right to accept or reject any application.

Alberta's Great Moments
Starring the famous players from your lovable Lethbridge label
HURRY... IT'S HEAVY!
IF HIM DROP STONE, HIM TENDERFOOT!
WHERE YOU GET EXTRA TICKET?
SCALPER.
1902
DIRT IN YOUR EYE?
I WANT THE TRUTH!... DO I HAVE CROW'S FEET?
I REALLY DIG THESE OCCASIONS!
House of Lethbridge Cornerstone Ceremony

We've brewed a lot of great beers since our pioneering days back at the turn of the century. Especially Lethbridge Pilsner. Nearly half a hundred years of real beer flavour as distinctive as that crazy cast of characters on the label. Frankly old-fashioned and proud of it. And you can taste the tradition in every glass. So why settle for less than Alberta's *original* Pilsner? Call for Lethbridge Pil. And enjoy your own Great Moments.

TRADITION YOU CAN TASTE • FROM THE HOUSE OF LETHBRIDGE

Last Friday was Frosh Day at Frank Maddock High School and the strangely-garbed Frosh are shown above during a noon-hour parade through the down-town area. The day ended with a Kangaroo Court and dance in the High School Auditorium.

BURTONSVILLE NEWS

Mrs. E. Homme has returned home bringing with her her granddaughter Eleanor Osbak who will be staying with her for a while. While away she visited Woodrow and Nodala Combs of Devon.

Visitors to the E. Homme home over the weekend were Mr. and Mrs. A. Osbak of St. Frances and Mr. and Mrs. Zolton Petriko of Edmonton.

Marvin Tattersall spent Sunday with his mother and brother David.

Visitors to the J. Schiedeman's were Tim and Jenny Losey.

Lenard and Judy Ratke of Spruce Grove visited her sister June and family on Sunday.

The Burtonsville W.M.S. held its monthly meeting at the home of Beatrice Schwitzer of Keephills. Visitors from that area that attended are Marie Raymond, Mabel Bryant and Betty Sims.

The welfare baby, Lisa Jane that stayed with Cecil and June Homme as a foster child for the past three months has been adopted out.

Mr. and Mrs. R. Rodger of Devon visited many old friends in this area over the weekend..

NOTICE

Centennial Civic Centre Ice Time

The schedule of ice time for the forthcoming season will be drawn up about mid-October. Groups or persons interested in obtaining ice time should make their requirements known to the Recreation office prior to October 10th.

Herbicides and Water Pollution

There has been no suggestion that herbicides have contributed to water pollution during the two decades that they have been widely used in Alberta.

It could be argued that with about seven million acres of farm land, thousands of miles of rights-of-way, hundreds of industrial sites and numerous other areas which are sprayed or treated with herbicides each year, some of these chemicals were bound to find their way into lakes, streams, and underground waters. This has not been the case, however, according to results of a water monitoring program which has been conducted during the last four years by the provincial water resources division in conjunction with the environmental health service branch of the department of health.

Bill Lobay, head of the Alberta weed control branch, reports that only 80 of the 5,800 water analysis done during this period showed any positive results. In each case only trace amounts of various chemicals were detected, and there was no evidence of build up. Chemical detection was not repetitive in either time or place.

The water monitoring program is being conducted in southern Alberta. It is one of the most intensively farmed regions in the province and has had the widest variety and the greatest quantity of herbicides applied per unit area of any region in the province. Monitoring sites include shallow and deep wells, irrigation canals, rivers, irrigation reservoirs and drains.

The Agricultural Chemicals Act, passed earlier this year, is another safeguard Albertans have against pollution. This piece of legislation ensures that agricultural chemicals are used properly and discriminately. It is consistent with the department of health's regulations on the use of herbicides in water and on the banks and shores of streams and lakes. These regulations state that herbicides can be applied in these areas only after a permit has been issued by the provincial board of health.

The department of health is guided in these matters by a committee on aquatic weed control, composed of senior members of the departments of agriculture, health, lands and forests federal research stations, the University of Alberta and a technical representative of the trade. The committee meets at regular intervals to formulate programs, consider permit applications and screen and approve herbicides for use in aquatic weed control in the province. It reports to the ministers of agriculture, health and lands and forests, and is both operational and advisory in nature.

Recommendations are made regarding surveys of lakes and regarding trials set up to determine the best methods of aquatic weeds so that the best possible use can be made of lakes, rivers and irrigation canals without causing any adverse effects to aquatic life and human health. Most aquatic herbicides used in the province do not persist in water, a factor which prevents water contamination and damage to aquatic life.

In view of the four years of water monitoring that has produced only occasional trace amounts of chemicals and the strict controls that are imposed on agricultural chemical use by the Agricultural Chemicals Act and the department of health's regulations, Mr. Lobay feels that Alberta residents have little cause for concern regarding water pollution from herbicides.

AIR
IN CIRCULATION

is vital to your comfort. A Lennox Total Comfort System constantly moves and treats the air in your home. It adds moisture to it. It filters it. It mixes fresh outdoor air with the inside air. It warms it.

Air flows gently, constantly, always mixing. Heat can't build up at the ceiling, leaving floors chilly. Central air conditioning is easy to add later.

These are just a few benefits of the Lennox Total Comfort System. For free information call:

D. V. Highlights

By Mrs. Edith Deby

Congratulations and best wishes to Jimmy Taylor who celebrated his ninety second birthday last week.

Best wishes for future happiness go to Mr. and Mrs. Jerry Lesiw who will be returning from their honeymoon this week. Mrs. Lesiw, the former Miss Lillian Philip, is new to our town. Welcome Mrs. Lesiw, we hope you will like living here.

Mr. Sam Pawluk, of St. Albert spent the weekend as a guest of Mr. Henry Dunington. Mr. Pawluk and his wife, the former Miss Gladys Hoff, are well known here. Both are now teaching at St. Albert.

Mrs. Felix Gumick is home after ten months in an Edmonton hospital. Your friends are so happy that you are now on the way to health again, Mrs. Gumick.

A wedding of local interest was solemnized at the Dean Wolsey home on Monday when Miss Marie O'Sullivan became the bride of Mr. Jay Town. Best wishes for a happy future, Mr. and Mrs. Town.

Mr. and Mrs. Helmut Wiechert and Bruce visited Mr. Wiechert's mother on the weekend. The Wiecherts live in Edson.

Miss Heather Blond, daughter of Mr. and Mrs. Martin Blond of Edmonton and Mr. Rodney Schmidt, son of Mr. and Mrs. Lewis Schmidt, formerly of Drayton Valley, were married in Edmonton on Saturday.

Mr. Wiltshire, Supervisor of Libraries for the Province, will meet with the Municipal Library Board on Wenesday evening to explain the policies of the Regional Library system.

Have you checked the voters list to make sure your name has been placed on it? Election day is fast approaching. Are we to have a "Meet the candidates meeting?" I hope so.

Mrs. Lloyd Matlock is in the local hospital as the result of a car accident Sunday evening. Mrs. Matlock was returning from Whitecourt where Mr. Matlock is working when the tie rod on her car broke sending her over the Evansburg embankment. She sustained painful head injuries and some concern is being felt over the damage to an eye.

EGGS PRESERVED BY OILING

Tests made by Dr. A.T. Hill of the Canada Agriculture Research Station at Agazzis, B.C. show that the best way to preserve egg quality is to oil them the day they are laid. The eggs tested stored twice as well as those oiled the day after laying, and much better than when they weren't oiled at all.

The Homemaker

Mrs. Sheila Brown, D.H.E.

What is a Home Economist? Last week we discussed my work as a District Home Economist. Where else are Home Economists employed?

"HEIBS" are Home Economists in business. Their work ranges from promotional work with utility companies (Northwestern Utilities Ltd., Edmonton Power) to research in the textile industry, to journalism, radio and T.V. work. They give out consumer education to the public by telephone, letter, personal contact and the mass media.

DIETICIANS are employed by 59 hospitals in Alberta. They are responsible for diet counselling and nutrition information. It has just been within the last twenty years that Home Economists could be trained in general programs, clothing and textiles or interior design. Previous to that a Home Economist was first a dietician, then a Home Economics teacher -- such is not the case today.

Home Economics teachers are probably the image that most people have of a Home Economist. These women are responsible for teaching junior high school and high school girls sewing, cooking and buymanship. Some high school curriculums include courses on interior design, child development, and family living.

Home Economics is out of the broom closet. Home Economists do not teach basic muffins and basketweaving. We are trained in the fields of foods and nutrition, interior design, home management, family living, laundry and clothing and textiles. Are these not the fields that all homemakers need adequate knowledge in to successfully run a home?

I hope that these last two articles have cleared-up some myths about the Home Economics profession. The basis for Home Economists work is the all-important role of women being a homemaker. The next time someone asks you what your occupation is please don't answer "just a housewife." The reply should be "a homemaker" said with confidence and pride.

Home Economists are employed to assist homemakers. Can we help you?

125 STUDENTS VISIT EDMONTON

On September 19th, the Drayton Valley Elementary Grade 5 students, their teachers and Mr. A. Johnson visited the planetarium and Museum and Archives in Edmonton.

We left at 8:30 a.m. and travelled there on three buses driven by Mr. J. Hazzard, Mrs. Peterson, and Mr. Dutch van Dorp.

In the Museum and Archives we saw old time tools, cars, and plows. We also saw dinosaurs, Indian artifacts, and many stuffed birds and animals. In the Planetarium we saw the program called "The Solar Solar System."

We arrived home at 4:30 after an interesting day.

Murray Howatt

DATSUN 1600 PICKUP
the most misunderstood truck in the country

We built the Datsun 1600 pickup to be a tough, rugged, no-nonsense, hard-working tool. Fine. A lot of people bought it for just that. But a lot of other people bought it and they don't use it for work. They use it for play.

We put a sturdy 96 horse engine in it because a working truck needs lots of power. We designed it to haul a ton, because a working truck should be able to handle heavy loads. It gets up to 30 miles to the gallon, because a working truck should be economical to operate. And it handles like a nifty little car because there's no reason why a truck that wears like a tank should handle like a tank. We built North America's number-one selling imported truck to work for its living - and they're out there living a life of pleasure.

Where did we go wrong?

FROM $2175

Treat Cattle for Warble Fly Now

Alberta cattlemen are strongly advised to treat their cattle for warble fly grubs in September or October rather than in November.

There are several reasons for this recommendation, says L.K. Peterson, entomologist with the provincial department of agriculture. The fact that the grubs do not reach the gullet region in the cattle until after October is the most important. When the grubs are killed in this area there is more possibility of a toxic reaction and side effects. The second reason for treating cattle early in the season is that less chemical is required to kill the grubs because they are still small. Another reason for applying systemics in September or October is that better louse control is achieved. Incidentally, the spray-on application method is more effective for controlling lice than pour-on method. Still another reason for spraying cattle earlier, rather than later, in the fall, is that there is very little danger of the animals developing pneumonia, which can happen when the weather gets cold.

Mr. Peterson says that both Co-Ral and Ruelene sprays give excellent grub control when applied with a high pressure sprayer These sprayers can be obtained from spraying associations, licensed custom applicators and county agricultural service boards. Pour-on systemics such as Neguvon and Ruelene, are useful in situations where spraying is not practical.

Mr. Peterson stresses that milking cows must never be treated with systemics. The contact pesticide Rotenone is the only chemical recommended for warble control on milking cows. However, since rotenone kills by direct contact, it is useless to use it until next spring when the warbles have migrated to the cows' backs.

Dry dairy cows and young stock on the other hand, can be treated with the same insecticides as recommended for beef cattle. One important precaution when treating dry dairy cows. Be very sure warns Mr. Peterson, that they will not freshen before the end of the "wait" period stipulated on the label of the particular systemic used.

In fact, to ensure the safe and effective use of systemics on any livestock, always follow the label directions very carefully. Among the important precautions are those stating that systemics must NOT be used on milking cows, cows that will freshen whithin the prescribed "wait" period, calves under three months of age, animals that will be slaughtered within a short period and animals that are sick or under any other type of stress.

Detailed information of the use of systemic insecticides and prescribed application rates for the various products are contained in the publications "Warble Control", "Control of Livestock Insects - 1970-71" and "Dairy Pesticides 1970". All three can be obtained from district agriculturists and the publications office of the Alberta department of agriculture, Edmonton.

New Rector Welcomed

Parishioners and friends crowded into All Saints Anglican Church, Drayton Valley, to welcome their new rector, the Reverend Bert McQuaid, formerly of Kitscoty, Alberta. The service of induction was performed on Tuesday, September 15th by His Grace the Bishop of Edmonton and the sermon preached by the Reverend John Snowden, Rector of St. Timothy's in Edmonton.

Representatives of Churches included Father E. Lynch, and Pastor R. McClelland of Drayton Valley, and Mr. and Mrs. J. Keast of St. Paul's, Evansburg, and also clergymen from within the deanery. After the service refreshments were provided by the Anglican Church Women while introductions were made informally in a crowded Parish Hall.

A fresh water fish never drinks water because water continually seeps through its gill membrane. The ocean fish drinks sea water, its gills desalting it and making it drinkable.

Joe Makarowski is shown here with the trophy he was awarded for winning the 1970 Drayton Valley Golf Club handicap championship.

FALLIS NEWS

Recent visitors at the home of Mr. and Mrs. McCulloch were their nephew Mr. Dave Hardy who has just returned from Germany where he was stationed with the R.C.A.F.

Mrs. Carol Erickson and her son Terry from Spruce Grove and Mr. Norm Gillow from Hinton also visited.

Mrs. Lounsberry of Fallis dug a potato that weighed over three pounds from her garden.

The week following the Darwell Fair, a delicious supper was served by the Darwell Agricultural Society which was enjoyed by all.

The trouble with doing nothing is that you can't sit down and rest.

Minor Football Game Sunday

Everyone will have a chance to take a look at the local "Little Canadian" Football program on Sunday afternoon. The Eskimos will take on the Blue Bombers at 3:00 p.m. on Sunday, October 4th, at the West Valley Recreation Park (Lions Park).

To date all scheduled games have been played on Monday, Wednesday and Thursday at 5:00 p.m. This does not give much chance for parents or friends of the youthful players to attend these games. Due to the shortness of the season, however, it is imperative that the schedule be so arranged. Sunday is the exception to the rule and we hope to see a good turnout of local football fans to cheer on both the Eskimos and the Blue Bombers. These little fellows are enthusiastic and play a good game of football. Parents, here is your chance to see your boy play, so make it a point to be on the sidelines at the "Little Canadian" Football field Sunday afternoon. We need your support.

The Drayton Valley Men's Soccer team will be playing a match Sunday, October 4th against a team from Whitecourt. Game time is 2:00 p.m. at the Lions Park. Admission free.

COUNTY OF PARKLAND No. 31

NOTICE OF EXPROPRIATION

IN THE MATTER OF PART 11 of the Expropriation Procedure Act, Chapter 30 of the Statutes of Alberta, 1961 with amendments thereto,

AND IN THE MATTER OF the NW 1/4 22-52-2-5 and NW 1/4 27-52-2-5 Reserving thereout all mines and minerals and Mike Sabadaska of Carvel, Alberta.

TAKE NOTICE that the County of Parkland No. 31 proposes to take by expropriation the lands and premises described as:-

Firstly: the most westerly fourty-two (42) feet in uniform width throughout of the NW 1/4 22-52-2-5 plus an additional amount for curve and severence in the north-west corner of the said quaterr section, the lands described containing 4.80 acres more or less.

Secondly: two hundred (200) feet in uniform width throughout of the NW 1/4 27-52-2-5 plus fifty (50) feet in uniform width for a distance of two hundred and thirty-two (232) feet on the north boundary of the said quarter section, the lands described containing 12.50 acres more or less.

And thereby acquire the fee simple title thereto for use by the County or the Crown in the right of the Province of Alberta as a highway or road and that the County of Parkland No. 31 is ready to pay the sum of $1,730.00 to Mike Sabadaska for the fee simple title to the land aforesaid which is to be expropriated and the sum of $744.00 for severence of land. In addition, the said County is ready to construct a standard three (3) strand barb wire fence along the new right-of-way boundaries and install a cattle pass under the new grade in the NW 1/4 27-52-2-5 at a location chosen by Mike Sabadaska.

AND FURTHER TAKE NOTICE that a By-Law authorizing the expropriation will be presented to the Council of the County of Parkland No. 31 on the 13th day of October, A.D. 1970, at the County Office in the Town of Stony Plain at the hour of 2:00 o'clock in the afternoon or so soon thereafter as the same may be heard for the purpose of considering and if thought fit giving approval to a By-Law for expropriation as aforesaid.

AND FURTHER TAKE NOTICE that a plan of survey of the land to be expropriated has been filed on the 27th day of August, A.D. 1970 in the office of the Secretary-Treasurer for the County of Parkland No. 31 at Stony Plain, Alberta and that the plan is available for inspection between the hours of 8:30 o'clock a.m. and 5:00 o'clock p.m., Mountain Standard Time, Monday to Friday inclusive, excluding Statutory and Town Holidays when the said office is closed.

AND FURTHER TAKE NOTICE that Mike Sabadaska as owner is entitled before enactment of the By-Law aforesaid, to make representations to the Council of the County of Parkland No. 31 and set forth his reasons why the land should not be expropriated.

AND FURTHER TAKE NOTICE that the amount of compensation for the land and severence, if agreement cannot be reached between the owner and the County of Parkland No. 31 will be ascertained and fixed by the Public Utilities Board for the Province of Alberta at a future date.

DATED at the Town of Stony Plain in the Province of Alberta this 24th day of September, A.D. 1970.

O. W. SCHUSTER,
Secretary-Treasurer,
County of Parkland No. 31

BERRYMOOR NEWS

A shower held for Mr. and Mrs. Gerald Hart at the David Laughlin home on September 12 was very well attended. The young couple received a nice variety of gifts and an enjoyable evening was spent by all present. Friends of the bride, Miss Donna Gillispie and Miss Edythe Colby were hostesses for the evening.

Congratulations to Mr. and Mrs. Gordon Davidson on the birth of a son on September 15th in the Drayton Valley hospital.

Mrs. Beatrice Cropley is spending some time visiting with relatives in the district. Mrs. Cropley and her niece, Miss Penny Robson of Warburg have recently returned from a trip to the Maritime provinces of eastern Canada.

Mr. Ronald Williams, who was principal of the Lindale School some years ago, visited friends in Berrymoor and Lindale recently. Mr. Williams is still in the teaching profession and is presently principal of the school at Heisler, Alberta.

Congratulations to Mr. and Mrs. Gary Cropley on the birth of a son in the Drayton Valley hospital on September 19th.

Mr. and Mrs. W. Joneson and family of Wainwright spent the weekend at their district farm.

Mr. and Mrs. Robert Shaw and family of Edmonton were Sunday visitors at the home of Mr. and Mrs. Jim Martin.

Graduation exercises were held in the Breton High School on September 19th for the 1970 grade 12 graduates. Eighteen young people received their diplomas and we extend congratulations to each of them on reaching this important milestone in their lives. A special mention to our local graduates, namely: Dale Thatcher, Donna Haight and Fred Martin.

Mr. and Mrs. Donald Martin and Mr. and Mrs. George Martin were guests at the home of Mr. and Mrs. Gordon Tryon of Breton on September 17th. The occasion was Tammie Tryon's second birthday.

Speedy get well wishes are extended to David Laughlin who has been in the hospital recently.

Miss Judy Brower and Charles Martin of Pincher Creek were district visitors on the weekend. They were guests at the graduation banquet, exercises and dance at the Breton High School on Saturday evening.

CALL TO ARMS

When one reads the Royal Proclamation on Fire Prevention Week (week of October 4th to 10) the message is clear -- fire hurts. At the same time the urgency spelled out in the Proclamation is for counter action. Speaking on our behalf the highest court of our country calls us to arms.

Without this Royal Proclamation to call attention to the damaging effects of fire, we are all too prone to dismiss fire as a fatal event, mysterious and beyond the capability of man to control. But, that is not facing up to the facts, because a high percentage of the 5,000 fires in Alberta in 1969 could have been prevented or more quickly controlled had some of us not fallen prey to public enemies numbering two -- crass carelessness and pitiful ignorance with fire. From the Fire Commissioner's records of fire causes, the obvious personal counteraction should be to make sure as individuals we don't keep adding to the historic, simple, stupid fire-causing mistakes involving cigarettes, petroleum products and electrical equipment.

Let's do something about fire prevention this Fire Prevention Week.

Pastor (at end of sermon): "And now, brethren, let us all give in accordance with what we reported on our income tax."

"Count me out . . . my belt broke!"

JOHN HANSEN SAYS

A Bonus Savings Account is the ideal way to build up your nest egg. You can withdraw money any time, but only at the bank, so you're not tempted to write cheques. With a Bonus Savings Account, you tend to save more. And you get a big 6½% calculated monthly, credited semi-annually. Match up a Bonus Savings Account with a Royal Bank Personal Chequing Account for paying the bills. And take this hint from me: save for *something*.

I'm happy to pay you 6½% on a Bonus Savings Account. And just as happy to take an even bigger interest in *you*. That interest adds up too. Drop in and see.

We like to look after you at the ROYAL BANK

Senior Citizens Hold Meeting

The Senior Citizens Club of Drayton Valley and District met in the Elks Hall for their September meeting which is held monthly. Thirty seven members attended.

The entertainment committee gave a report on the Basket Social held in August. The Social was enjoyed by everyone, it was felt. A vote of thanks was moved to Mrs. Helen Safronovich for her outstanding work in organizing the social evening. Helen is chairman of the entertainment committee.

The sum of $31.00 was received as donation to the proposed Senior Citizens Home from friends of the Walter Durham family in memorium.

E.B. Brandt gave a report on his committee work with the Royal Purple regarding plans for the Senior Citizens.

M. Gormley brought 3 films and they were very good ones to finish off the evening. The club much appreciates Mr. Gormley giving his time and effort.

Coffee and lunch finished off the evening.

COUNTY OF PARKLAND No. 31
STONY PLAIN, ALBERTA

NOTICE OF INTENTION TO CLOSE PORTIONS OF HIGHWAY, AS HEREINAFTER DESCRIBED

PURSUANT to the authority of County Council and as provided in the Municipal Government Act, NOTICE IS HEREBY GIVEN of the intention of Council to pass a By-Law to close:

All that portion of highway in the County of Parkland No. 31 in the Province of Alberta of record in the Land Titles Office for the North Alberta Land Registration District described as follows.

All that portion of road allowance adjacent to the east boundary of the west half of Sections Five (5) and Eight (8), Township Fifty Four (54) Range Twenty Seven (27) West of the Fourth Meridian.

Reserving Thereout all Mines and Minerals.

Plans showing the location of the said highway may be inspected and information obtained in the County of Parkland Office, during the regular office hours, Monday to Friday, inclusive until 5:00 o'clock p.m. Friday, 9th day of October, A.D. 1970.

Any person who claims that his land will be injuriously affected by the passing of the said By-law and petitions to be heard, is requested to file his claim with the Secretary-Treasurer, County of Parkland No. 31, Stony Plain by not later than 5:00 o'clock p.m. on Friday, 9th day of October, 1970.

AND FURTHER TAKE NOTICE that at its meeting to be held in the Council Chambers, at 10:00 o'clock a.m. on Tuesday, 13th day of October, 1970 or so soon thereafter as the matter can be conveniently dealt with, the Council will afford an opportunity to be heard to any person by himself or his agent who claims that his land will be injuriously affected by the passing of the said By-law, who has petitioned to be heard as aforesaid and who appears at the said meeting.

In case the meeting does not take place on the 13th day of October, 1970, then at the first meeting of Council to be held subsequently thereto, the Council will afford any person by himself or his agent who has petitioned to be heard as aforesaid an opportunity to be heard at the said subsequent meeting.

DATED at Stony Plain, Alberta, this 23rd day of September, 1970.

O. W. SCHUSTER,
Secretary-Treasurer.

ENTWISTLE NEWS

Mr. and Mrs. Stowe of Summerland B.C. visited their daughter, Mrs. Clare Anderson and her husband recently.

Don and Maureen Smith and family of Edmonton visited Dawson and Mrs. Smith of Entwistle recently.

Todd Sumner of Whitecourt came and stayed a few days with Glennis, Ralph and Wendy and Jay came for her on Friday and visited some of their friends and returned home Saturday evening.

Mr. Hubert Forecast won a Car Stereo on a raffle at Duffield recently. Congratulations Hubert.

Mrs. Sandra Blades attended a Work Shop at Wabamun on Saturday September 19th in preparation for classes in keep fit. These classes will be starting in October. Registration is October 7th, in the community hall. Everyone is welcome to attend and there will be a registration fee. For further information Phone 727-3776.

Hubert Forecast and Norman Sinclair played in the Evansburg Golf Club Tournament on Sunday September 20th. They said it was very enjoyable.

Mrs. Maggie Hoople is in hospital undergoing an operation. We hope you are feeling better Maggie and that you will soon be home.

WABAMUN NEWS

Mrs. Julia Burton has gone to attend her niece's wedding at Abbotsford B.C. and will be away for a few weeks visiting her relatives afterwards.

Mr. and Mrs. W. Sulak and family are back from their holiday in England and they enjoyed every minute of it.

Mr. and Mrs. Lyn Kent (brother of Mrs. G. Sarich) and family have moved to Cold Lake, where he has been transferred from Goose Bay, Labrador. They visited with Mr. and Mrs. Sarich while on their move.

Mrs. R.T. Ward is in Stony Plain looking after Dr. and Mrs. Patterson's family while they are away.

Mr. and Mrs. Lawley of Gainford called at the home of D.M. Roberts last Sunday while enroute to Edmonton.

A welcome goes out to Mr. and Mrs. Bridges and family, also to Mr. and Mrs. Ginther who have moved here recently.

Mr. D. M. Roberts celebrated his birthday on September 18 while at Fawcett Lake. Belated greetings sir.

Little Miss Sherry McDonald, daughter of Mr. and Mrs. E. McDonald has been visiting with her grandparents in Edmonton and also with her aunts and uncles at Vega. Hope you had a good holiday Sherry and I am sure you did.

PARKCOURT NEWS

A birthday party was held Saturday evening in honor of Miss Marybell Fausak who celebrated her 21st birthday on the 19th. A large crowd of young people gathered at the home of Marybell and a good time was enjoyed by all. Marybell is again teaching at Eson this year.

Mr. and Mrs. Frank Weigle are currently holidaying in Austria and have now been away for about five weeks. Their three children have been looking after their farm while they are away and have been busy installing plumbing while their parents were absent.

We see Mr. Stan Angerman and Neil have been hauling a good many loads of hay from Prylowski's farm. All the farmers are trying to combine etc. in spite of the chilly weather.

The regular meeting of the Gay Gatherers was held at the home of Mrs. Billie Marchand. It was decided to hold the president's belated birthday party on the 4th when Mrs. Wiegle will have returned from her trip. Mrs. Marian Fausak won the hostess prize.

Church Workers to Canvass District

Tomorrow marks the beginning of the 67th annual World Service Appeal of the Seventh-day Adventist Church in the Drayton Valley-Warbug area.

During the next few weeks, members of the church in the western part of Alberta will make door-to-door visits. These volunteer solicitors will carry official credentials issued by the church, says John S. Pershing, the pastor. They are donating their time as well as contributing financially themselves to the appeal.

Provincial authorization to canvass under the Public Contributions Act through the year 1970 was obtained by the Alberta conference of the Seventh-day Adventist Church from the Hon. Raymond A. Speaker, Minister of Public Welfare, early this year, and goes for all over the province except for Edmonton and Calgary where special city permits are issued.

Funds solicited will extend medical, welfare and educational services in 193 countries, including Canada. On a worldwide basis, the church last year aided more than 9 million persons distributed more than 12 million articles of clothing, donated 10.4 million hours of volunteer time and contributed dollars 5.2 million in food and cash to the church's welfare program.

The denomination operates 134 hospitals and sanitariums and 192 dispensaries and clinics, which treated more than four million persons last year. It supports a school system enrolling 392,000 students and publishes literature in 278 languages and dialects.

As recently as September 28 last year a 100-bed new nursing home was opened at Sherwood Park east of Edmonton with the Hon. J. D. Henderson, Minister Governemant of Alberta Department of Health, officiating.

RAMONA NEWS

Get well wishes go to Craig Hallett, Patty Grue and Terry Blake.

The Teen Club held their first sock hop of the season on Friday, September 25th. About twenty youngsters attended and enjoyed the evening very much. Parents are reminded that the sock hops are from 8:00 to 10:30 p.m. so please pick up your children at 10:30.

Visiting at Lorraine Thompson's this week is her daughter and son-in-law, Dianne and Paul Jones. Hope you have a nice visit folks.

The Girl Guides held a meeting at the Stewart home on Monday, September 28th. It was decided to hold Guide meetings at the Ramona Hall every Wednesday after school, starting Wednesday, October 7th. All girls between 10 and 14 years of age are welcome to attend.

The next meeting of the Ramona community league will be held next Tuesday, October 6th.

Bob and Dorothy Blake and family were out visiting at Mr. Jim Blakes on the weekend. On Sunday Terry fell off Beth Thompson's horse and hurt her hip so she had to stay behind in the Drayton Valley hospital when Dorothy and Bob went home.

Allen Stewart went on a camp out with his scout troop on the weekend. He says it was lots of fun and would like to go again.

An answer to the farmer's need for a hay-drying forecast may be on the way. Meteorological scientists at the Canada Agriculture Plant Research Institue at Ottawa have developed equipment and methods that will measure latent evaporation rates. At Fredericton N.B., results so far indicate that the scientific measurements correspond with drying rates for hay.

Couple Wed in Fall Ceremony

A quiet early fall wedding took place at the home of Mr. and Mrs. Raymond Duffy from Winfield, Alberta, when Leona Mary their only daughter, and John Andrew, son of Mr. and Mrs. Lawrence Willaims of Donalda, Alberta, were united in marriage. Reverend Walter Gamble, pastor of the Pentecostal Holiness Church at Poplar Valley, performed the ceremony. Given in marrige by her parents, the bride wore a pale blue suit, white accessories and a rose corsage. Her bridesmaid was Vicki Laxco, who wore a light yellow suit, white accessories and a rose corsage. Lyle Cartier was the best man. For her daughters wedding, Mrs. Duffy chose a navy fortrel dress and a white rose corsage. Mrs. Williams wore a green and white dress with a white corsage. A reception for twenty-five was held at their home, for relatives and close friends.

Andy and Mary are residing in Drayton Valley at the Ambassador Motel, and Andy is employed with M. and R. Trucking.

BUCK CREEK NEWS

Ceramic classes for the next season will be starting at the home of Mrs. Inga Hawryluk on October 13th from 2:00 p.m. to 4:30 p.m. and 8:00 p.m. to 10:00 p.m. in the evening. Anyone interested please call her at 542-2066.

Congratulations to Miss Heather Malin and Mr. Dennis Portas who were among those who graduated from the Breton High School.

Heather is attending the University of Alberta and Dennis is employed with an oil company at Beaver River, N.W.T.

Tickets are now being sold for the B.C.W.W. social and hard time dance planned for October 4th.

The next Community Club meeting will be held Friday, October 2nd, at 8:00 p.m.. Everyone is urged to attend this meeting as more interest must be shown in order for the club to continue.

Mr. and Mrs. Jack Portas have returned from a trip to Vancouver Island. They went out by truck and flew home. While there they spent a day salmon fishing and were fortunate in catching two salmon.

Gail Bara was in Edmonton on September 14th for a checkup. The doctor was very pleased with her progress.

A miscellaneous shower was held at the hall for newlyweds, Lorraine and Dan Sieben on September 20th, with Mrs. Agnes Regenwetter and Mrs. Joyce Stec as hostesses.

Mr. Ken Gailey and Mr. Buster MacDonald have returned from Ontario where they were successful in obtaining a maintenance contract from the Provincial Forestry for their aircraft.

We are sorry to hear that Mr. Gortzen has suffered a heart attack and is in the Red Deer Hospital.

KEEPHILLS NEWS

Tammy Raymond and Andrea Strassburger were both four years old and celebrated their birthdays last week with a supper.

Nora Dombrosky is in Edmonton visiting for a week with relatives.

Another bear has been reported as seen at the Cemetery Corner recently.

Congratulations to Amber and Ron Charlett on the birth of a baby boy, and to Murrey and Kathy Coats a baby girl.

Wayne Clark of Highvale has been laying carpet in the Evansburg and Stony Plain areas.

Congratulations to Mr. and Mrs Roy Ewashko on the birth of a baby boy.

The staff of Accurate Optical in Edmonton enjoyed a Weiner roast at Neil Raymonds country place near Stony Plain last week.

Dave and Brenda Moonen plan to move to Spruce Grove in the very near future in order to be near Dave's work. He works at the McLeods Mercantile.

A shower dampened the spirits of some of the neighbours and kept some home from Theresa Millers shower on Wednesday. Theresa was married in June.

W.M.S. from the church at Burtonsville held its missionary meeting at Mrs. Roy Schweitzers at Keephills on Monday.

Anglican Women Start New Season

The new Rector, Rev. Bert McQuaid, introduced himself to the ladies of the Anglican Church on Tuesday, September 8th. He looked forward to a happy and successful association with them.

Mrs. Peggy Tyler read the current newsletter from Dr. and Mrs. Maclure. It was received with great interest, and direction was given to explore ways of helping them effectively in their missionary situation. Mrs. W. Gordon also drew the ladies attention to other areas of missionary support, and suggested we keep these in mind during the planning of the winter program. The ladies were not just a working party, and each felt the need for their own spiritual growth together as a fellowship, it was decided to invite speakers who would explain Bible truths simply and with relevance to everday living.

The Rev. Bert McQuaid closed the meeting with prayer.

LODGEPOLE NEWS

A farewell party was held at the Brazeau Recreation Centre for Mr. and Mrs. Blair. They are returning to Sprague near Banff.

Jackpot winners for the September Bingo were Mrs. H. Elliot and Mrs. Bateman.

Mr. Roy Fagervold has returned from Hickson B.C. after spending a few days at home he was called to Big Horn.

The end of an era has passed with the last of nine houses from D lease and ten houses from G lease moved away.

Former residents John and Elsa Vanderleast and boys are leaving Airdrie and moving to Drayton Valley.

PUBLIC NOTICE

BY-LAW NO. 25-70

By the Council of the County of Parkland No. 31 of the Province of Alberta.

WHEREAS it is deemed expedient by the Council of the County of Parkland No. 31, of the Province of Alberta, that the sum of Eight Hundred Thirty-Seven Thousand One Hundred Dollars ($837,100.00) should be borrowed on the security of the said County by issue of debentures repayable to the bearer in 25 consecutive annual instalments with interest at the rate of not more than nine per cent (9%) per annum for the following purposes, namely:

(a) Erecting in the Drayton Valley School District No. 3138 a High School Building to consist of:

10 General Classrooms
3 Science Experience Classrooms
1 Science Preparation Room
2 Ancillary Classrooms
1 Library
1 Gymnasium, Stage and Storage Room
1 Home Economics Room
1 Industrial Arts Room
2 Infirmary Rooms
1 Counselling Office
1 Principal's Office
1 Vice-Principal's Office
1 General Administration Office
1 Conference Room
1 Staff Lounge
1 Staff Work Room
1 Librarians Office
4 Storage Rooms
2 Janitor's Storage Rooms
1 Mechanical (Furnace) Room
1 Kitchen
1 Physical Education Office
2 Shower Rooms
2 Student Washrooms
1 Mezzanine Area

Plus such other non-instructional areas as are deemed necessary to provide a functional educational unit at an estimated cost of $704,000.00 including architect's fees and water supply and sewage disposal system.

(b) Providing furniture and equipment at an estimated cost of $50,000.00.

(c) Purchase of land and landscaping site at an estimated cost of $46,000.00.

(d) Purchasing by tender for the Drayton Valley School District No. 3138-4 portable 1-room schools at an estimated cost of $37,100.00.

THEREFORE, notice is hereby given by the Council of the said County that unless a poll of the electors of the said County for and against the said debenture loan is demanded, as provided by Section 104 of The School Act, 1970, the said Council will apply to the Local Authorities Board for authority to borrow the said sum by issue of debentures.

Of which all persons interested are hereby notified, and they are required to govern themselves accordingly.

Leslie N. Miller
Reeve

Dated at Stony Plain
this 16th day of September, 1970

INSTRUCTIONS TO ELECTORS PETITIONING FOR A VOTE ON A MONEY BY-LAW IN A COUNTY

(Sections 2(e), 3 and 104 - The School Act, 1970)

"Elector" for the purposes of petitioning for a vote on a debenture by-law means a person:
i) 19 years of age or older
ii) who is a Canadian citizen or British subject, and
iii) resident in a County for at least the 12 months immediately preceding the day on which the petition is presented;

A poll respecting the aforenoted borrowing may be demanded in a County by preparing and submitting to the School Board a petition for a vote in accordance with the provisions of Sections 2(e), 3 and 104 of The School Act, 1970.

The petition must be signed by at least
(a) 2 per cent of the electors in a County having 10,000 electors or more, or
(b) 5 per cent of the electors in a County having less than 10,000 but 5,000 electors or more, or
(c) 10 per cent of the electors in a County having less than 5,000 electors but 500 electors or more, or
(d) 15 per cent of the electors in a County having less than 500 electors,

and be filed with the Board within 15 days of the last publication in a newspaper of the public notice of the proposed debenture borrowing.

THANK YOU

We wish to express our sincere appreciation to our friends and neighbors for the many acts of kindness, cards, floral tributes and memoral donations for crippled children and to the heart fund, during our recent bereavement in the loss of our beloved husband, father, grandfather.

A special thanks to the pallbearers. Our deep appreciation to Reverend George Harriaman, and Clarence Lyons.

Thank you friends.
Mrs. Emma Homme and family.

Many thanks to the friends of Mrs. Durham and family who gave donations to the family in Walter's memory designated for the Senior Citizens Home in Drayton Valley.

Senior Citizens of
Drayton Valley and District

COLD LAKE FISHING

The closure of fishing in Cold Lake asheduled to commence on September 15th was recinded on that date by Hon. Dr. J. Donovan Ross, Alberta Minister of Lands and Forests. The purpose of the legislation was to protect the lake trout during their spawning season. With a successful fishery for Coho salmon now in progress it was not considered necessary to completely close the lake to fishing.

The closure is now effective only on lake trout, during the period of September 15th to November 15th. During that period, anyone taking a lake trout must immediately release it back into the lake. It is illegal to be found in possession of a lake trout from Cold Lake.

There is little reason why anyone fishing for Coho salmon should catch a lake trout, since the lake trout are spawning in deeper water and the Coho are mostly being taken close to the surface.
